Daycare Programs Registration Process

Our mission is to provide a safe supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life.

In order to facilitate the registration of your child into one of our daycare programs, it is important that we complete all steps of the registration process. This will ensure that we have all of the important information we need to keep your child safe and comfortable while they are in our care. It also ensures that you have the opportunity to have all of your questions answered before your child attends our program.

Registration Checklist:

The following steps must be completed before your child is considered registered with one of our daycare programs. This includes **after-school, summer camp and pre-school programs**:

- A copy of the Parent Manual is provided to the parent or guardian and is read in full prior to registration. This manual is available from our office and is also available on our website.
- The registration form must be completed in full and signed. The appropriate form is available from our office or on our website.
- A copy of the child's immunization record must be obtained at the time of registration **or** a waiver must be completed by the parent or guardian.
- A one week non-refundable deposit is required at the time of registration which will be applied to registration fees. Cheques must be payable on the date of registration, however, if subsidy is granted before the start date, refunds will be issued where applicable.
- At least one parent or guardian **must meet with the applicable Program Director/Manager** to finalize registration for a new child. A tour of the facility will be provided at this time and any questions can be clarified.

We will be closed the week of Dec 26th-30th.

Professional Development Days / Storm Days

Registration is required for childcare on District 18 Professional Development closures and there is no additional fee for this service. Children must be registered for storm days and a fee of \$12 will be applied to each child's account when schools from district 18 are closed due to weather. Please note – we are not able to accommodate midday closures and you need to notify your child's school, in September, of your family's plans for a midday closure.

Illness and/or injury

Parents should not send a child to the club if s/he is ill. Due to new Public Health illness tracking forms, parents must also inform the Club of what type of illness caused their absence, eg: cold, flu, diarrhea, etc. Parents must inform the Club if a child contracts a contagious disease as soon as the diagnosis is made. A parent must complete a medicine permission slip before Club staff can administer any medicine to a child. Parents will be expected to pick up, as soon as possible, a child that has become ill or injured at the Club.
