

Get your Team together!

Register your team of 4 friends, co-workers or family members (no curling experience required). Perhaps your business would like to put a team together to fundraise and curl - makes for great team-building exercise!

Put the FUN in FUNdraising

Your team can simply collect pledges using the provided pledge sheets or we'll give you all kinds of fun fundraising ideas.

Would your company like to help but doesn't have a team to enter? Be a team sponsor instead! We'll invite a youth team who otherwise wouldn't be able to curl to come out and have fun on you! All sponsors will be showcased at the event!

Issue a team Challenge!

Ask us about issuing a challenge to another potential team. Does your company have more than one branch in the area? Let us put out a challenge to them to either raise more money or get a higher score!

Curl, laugh and win!

Your team will curl at least one 90 minute or 5 end game and can choose to curl a second game. The event is perfect for those new to the game and seasoned curlers alike. We will work with you to match your team against a team with similar skills to ensure a great time!

Pizza, Prizes and Fun.

Kurl 4 Kids participants will enjoy refreshments and pizza throughout the day. Lots of prizes will be given out to teams during the day along with competitions that everyone can take part in to win some great prizes as well.
