Illness and/or injury

Parents should not send a child to the club if s/he is ill. Due to new Public Health illness tracking forms, parents must also inform the Club of what type of illness caused their absence, eg: cold, flu, diarrhea, etc. Parents must inform the Club if a child contracts a contagious disease as soon as the diagnosis is made. A parent must complete a medicine permission slip before Club staff can administer any medicine to a child. Parents will be expected to pick up, as soon as possible, a child that has become ill or injured at the Club.

Emergency Transportation Policy:

If at any time, due to circumstances such as an injury or sudden illness, medical treatment is necessary, I(we) authorize the operator, administrator or staff of Fredericton Boys' And Girls' Club, Inc. to take whatever emergency measures are necessary for the protection of (our) my child while in their care. I understand this may involve applying first aid, calling a physician or nurse, carrying out the instructions given, and/or transporting my(our) child to a hospital, including the possible use of an emergency vehicle. I understand that this may be done prior to contacting me (us) and that any expenses incurred for such treatment, including emergency transportation is my (our) responsibility.

Publication Consent

I (we) give permission to the Fredericton Boys' and Girls' Club to use pictures of my child and/or his or her first name for purposes of advertising or promoting the Club's activities. I (we) understand that all other personal information about my (our) child will be kept private and confidential, and that photos and first names will only be used in good faith by the Fredericton Boys' and Girls' Club. Parents will be notified when pictures will be used for Television or Newspaper purposes.

Behavior issues

Should a child choose to behave in a manner that is causing physical / emotional harm or disruption to others, this may result in the child being unable to attend the program. Every positive effort will be made to avoid this consequence but ultimately physical violence and disruption are not tolerated. Parents will be notified and may need to pick up the child immediately based on the severity of the circumstance.
