RTG Case Study- Feb 25 and 26

National BGC wants to know what works for RTG. As such, Fredericton has been chosen as one of 4 case studies. They will come in, observe how our program runs and have some discussion with the youth. If you are able to make it, please come as the more voices they hear, the better.

Volunteer Opportunity- Feb 22

This is an event from 6-8:30 for the younger kids, ages 6-12 called "PJs and Stuffedies Hang Out" It is an opportunity for our high school aged youth to volunteer, running a canteen, doing the door and running activities. If you are interested, let Jessie-Anne know!
