EVENTS

Preparing for Exams Jan 8 5:30-7:30

Exams can be stressful, especially if this is your first time writing them. Come out to this session for tips, tricks and skills to get ahead on your exams and deal with the stress you may have about them. This session is open to Middle School students as well for test prep and study skills.

Kids' Lock-In Jan 25 6-9:30

This is a volunteer opportunity for all RTG youth. It is a fun event for kids ages 8-12 who are registered in a Boys and Girls Club program. Youth will be running the door, a canteen and activities. Proceeds will go to taking youth to the National Boys and Girls Club Youth Forum in May 2019.

Post-Exams Celebration

This will be an evening of food, games and fun to celebrate completing the first round of exams for this school year. Come have some fun and relax before the next semester starts. All Middle School students are welcome to partake in the fun as well!
