

Our mission is to provide a safe supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life.

In order to facilitate the registration of your child into one of our daycare programs, it is important that we complete all steps of the registration process. This will ensure that we have all of the important information we need to keep your child safe and comfortable while they are in our care. It also ensures that you have the opportunity to have all of your questions answered before your child attends our program.

Registration Checklist:

The following steps must be completed before your child is considered registered with one of our daycare programs. This includes after-school, summer camp and pre-school programs:

- A copy of the Parent Manual is provided to the parent or guardian and is read in full prior to registration. This manual is available from our office and is also available on our website. *You must sign and acknowledge that you have read and understand this manual.* Parents are responsible for knowing its content.
- The registration form must be completed in full and signed. The appropriate form is available from our office or on our website.
- A copy of the child’s immunization record must be obtained at the time of registration or a waiver must be completed by the parent or guardian.
- A one time non-refundable \$30 registration fee is required at the time of registration as part of the registration process. As of April 2015 all payments must be made via pre-authorized payment (Visa, MC, Debit) on a monthly or semi-monthly schedule, through our Administration office 472-5112.
- At least one parent or guardian must meet with the applicable Program Director/Manager to finalize registration for a new child. A tour of the facility will be provided at this time and any questions can be clarified.

We are excited to offer our Preschool Program at our Designated Early Learning Center at our Southside location. We focus on:

All while incorporating our Core Values of:

- Inclusion and Opportunity for all
