EVENTS

Fridays 5:30-7:30 Gym Time for all registered youth

Each Friday for the month of May we will have open gym time during RTG/GTGS. Come get ahead on your homework and then burn off some energy and play in the gym! Activities will be decided by the group who is here.

May 16th 6-7:30 Art Night for all registered youth

We will do another create-your-own-art night. You can make whatever you can think of with the materials we have. For this art night we have some new canvases and paint in addition to other supplies such as magnets, cardstock, beading and more.

May 28th 5:30-7:30 Cake decorating "Nailed It" Style for all youth

Ever wanted to try out fancy cake decorating? Here's your chance! We have some tools and decorations and will have some cakes made so participants will get to test their creativity with cakes. If it doesn't work out, it will still be fun!
