

Dear Parent/Guardian:

In an effort to continuously serve members during these uncertain times, the Boys & Girls Club of Fredericton is providing virtual Club experiences through which Club staff will facilitate program activities through an online platform.

The Club will use an application provided by a third party that members, parents/guardians and/or staff/screened volunteers will access via the Internet and use for purposes of communication and programming. This platform is called Zoom.

This letter seeks consent for your child/youth to utilize Zoom for virtual Club program purposes. Zoom provides an opportunity to deliver video and chat-based educational experiences to members via any device. Please be aware that Zoom collects information about its users and has its own privacy terms and conditions to which members must adhere. Please review Zoom's privacy terms and conditions carefully before registering your member: <http://zoom.us/terms> and <http://zoom.us/privacy>.

In order to participate in virtual Club experiences, you will need to provide access to the following:

- A computer, mobile, or tablet device with access to the Internet
- A quiet space at home in which members can participate under the supervision of an adult
- To register for Zoom, you will need to provide some customer data, including but not limited to: your email address and first and last name (for more information, see <https://zoom.us/privacy>). You only need to access the FREE basic account.

We will use Zoom for the following anticipated program activities:

- Video conferencing
- Media sharing (for example, uploading images of artwork or other projects)

Our commitment to keeping our young people safe is always our number one priority. The Club will actively monitor member activity on Zoom and will make every effort to protect member information by maintaining control of, and access to, the data collected; prohibiting re-disclosure of member information; setting restrictions in which the online platforms may use member information; ensuring there is no advertising and that no member information is collected for commercial purposes.

Further, all activities online must comply with the Boys & Girls Club of Fredericton's Guidelines for **Online/Virtual Club Programming** (see attached).

Our Virtual Summer Camp Program Registration form must be completed and returned before your child/youth can participate in any calls.

Again, if access to technology is an issue, reach out to us right away as we may be able to access resources to support you.

If you have any questions, please feel free to contact me.

Sincerely,

Program Management Team
