

**Where are you located?**

We have 2 locations where we run our Summer Camps. On the Northside @ 248 Medley St. & on the Southside @ 499 Canterbury Dr.

**What ages are your camps for?**

Our summer camps are for children aged 5-12. Our program is designed for those children who have already attended school/started kindergarten.

**Do I need to sign up for the whole summer?**

No, you can pick and choose which weeks you want, from only 1 week to all 10. There is a discount if you register for all 10 weeks – you get the 10<sup>th</sup> one free.

**How much are the camps?**

Each camp week is \$130/week per child and \$120/week for the two short weeks in the summer b/c of the holidays. The fee for each additional child in the family is \$125 for the normal weeks and \$115 on the two short weeks.

Week	First Child	Each additional child
1	\$120	\$115
2	\$130	\$125
3	\$130	\$125
4	\$130	\$125
5	\$130	\$125
6	\$120	\$115
7	\$130	\$125
8	\$130	\$125
9	\$130	\$125
10	\$130	\$125

**Is there a registration fee?**

There is no registration fee for our Summer Camp Program!

**How do I pay?**

There are a couple of options.

Pre-authorized payments - are processed on a bi-weekly basis via debit or credit card.

On-line payments – again this year you can pay through our website, pick your weeks and pay ahead of time.

Any other payment options or questions can be answered by Nancy McCoy in our Admin Office 472-5112

**What subsidy is available and how does it work?**

The Day Care Assistance Program through the Province of New Brunswick is designed to help your family have access to financially affordable, quality early learning and childcare at an approved day care. If your family’s annual net income is \$55,000 or less, you may qualify. Call 1-866-444-8838 to inquire or start the application process. When you receive confirmation of your funding, please bring a copy in. If you need a letter from us saying your child is enrolled please let us know. There is a possibility of full or partial coverage.

**What do I need to pack/bring with my child each day?**

Each day your child needs: sunscreen, water bottle, indoor shoes, bathing suit & towel (regardless of weather), morning & afternoon snack and a non-heat-able lunch. A change of clothes is always a good idea, not just for younger children. Sometimes we get messy or accidents happen.

**What can or can't I pack for my child to eat?**

We are unable to heat up lunches, so please pack food that doesn't need to be heated up, or pack warm food in a thermos. All of our facilities are nut-free so please do not send anything that contains or may contain nuts. If there are any other food allergies we will communicate them to

families leading up to summer. Please ensure your child has food for a mid-morning snack, lunch, and a mid-afternoon snack. It is a good idea to pack an ice pack in your child's lunch as we do not have enough fridge space to accommodate everyone's lunches.

### **What do we do on our first day?**

First days can be scary, but our friendly staff are here to help. One way to ease the first day jitters is to make an appointment prior to starting and come for a quick tour. *This will be offered depending on Covid regulations at the time.* If not that's ok! When you drop your child off and bring them to the front door, our friendly staff - who are easy to identify as they will be in blue FBGC shirts - will greet you, and find your child a hook to hang their stuff on. Then the staff will bring them and get them involved in the activities going on at the time, and introduce them to their leaders for the week when they arrive.

### **What does a typical day look like?**

The mornings from 7:30-9:00 am are typically drop-off time. Programming kicks off and we fill their day with a variety of activities: morning huddles, ice breakers, gym games, arts & crafts, science and nature, group games, themed activities, water games, possibly a field trip, swimming\*, maybe even a special guest\*. The children have mid-morning snack, lunch and mid-afternoon snack breaks. The day wraps up with group huddles, as pick up time typically runs between 4:30-5:30 pm. As children and staff start heading home activities transition to wind down activities, and end of day choices.

### **Who should I call with a question or to pass on information?**

If your child is sick, a change in contact information, a change to who is picking them up, or to get a message to your child please call the Programming Office for each site: 454-9237 Skyline | 472-4528 Devon. For questions or changes concerning payments or any money related topics please call Nancy in our Admin Office 472-5112. To register, program inquiries, questions and/or concerns, changes to weeks registered, to withdraw or any other topics please call the Program Management line 472-1784.

### **What do I do if I need to switch weeks or cancel a week I've already registered for?**

Switching weeks is fairly easy to do, just call your Program Manager and as long as there is space in the week you are hoping to switch to it that switch can be made no problem! If you need to cancel a week that you are registered for please also contact your Program Manager. There is a cancellation fee – please see the registration forms for details.

### **What about COVID?**

We have a Club COVID Operating Plan, department restriction and guidelines that help ensure safety for our children and staff. Somethings may look different and change from the time of registration to attendance. We follow all regulations and guidelines and will work to inform families as things change.

Some things that may look different from past summers are:

- Parents responsible for screening their child prior to dropping them off
- Special Guests – currently not allowed
- Field Trips – may or may not be allowed depending on which colour zone we are in
- Swimming – last summer we were not allowed to go swimming
- Access to the building is limited to children and staff
